PRODUCT SPECIFICATION (Private and Confidential)

Product Name:	Gooseberry Filling
Product Code:	GOBR100464
Customer:	Bradley's
Product Description:	Gooseberry fruit preparation stabilised with Modified Waxy Maize Starch with visible fruit pieces. Free from Taints or off flavours.
Country of Origin:	Manufactured in UK

Product Details:

Ingredients Breakdown	%	Country of Origin
Gooseberries	40.00	Poland
Water	38.40	UK
Sugar	16.00	UK, Poland, France, Belgium, Germany, Netherlands, Mauritius, Guatemala, Thailand, Austria
Modified Waxy Maize Starch	5.30	Italy, Germany, France
Citric Acid E330	0.20	China, Austria
Potassium Sorbate E202	0.10	China, Germany
	To 100%	

Ingredient Declaration:	Gooseberry, Water, Sugar, Stabiliser: Modified Waxy Maize Starch, Acidity Regulator: Citric Acid, Preservative: Potassium Sorbate.
Allergens:	For allergens including cereals containing gluten, see ingredients above in bold .
GMO:	Modified Waxy Maize Starch - Valid IT or SGS IP Certified Citric Acid - Valid IT or SGS IP Certified
Packaging:	White Polypropylene bucket & lid, with diaphragm seal.
Unit Net Weight:	6kg
Storage Details:	Storage Unopened at Ambient (15-22°C), Cool, dry, away from direct sunlight and preferably less than 20°C. Measures to maintain this range are to be taken during heatwave conditions. Once opened store chilled 0 - 5°C
Shelf-life:	6 Months from date of production in storage conditions as above if unopened. If opened, packaging should be kept sealed, refrigerated and used within 5 days.
Minimum Life on Delivery:	70%
Delivery Details:	Ambient transport
Labelling Details:	Naked Foods Label with Product Description, Weight, Batch Number, Use by date, Storage Instructions.

Microbiological Specification:

Test	Target (cfu/g)	Reject (cfu/g)
TVC	≤1000	>1000
Yeast	≤10	>100
Mould	≤10	>100
Testing Frequency	<i>Micro testing is not done for every product produced, unless required by the customer & costed into their product accordingly. Micro testing is done on between 30+ products per week and is used as an indicator on process, hygiene and site GMP. These results are used to establish the micro limits for the site as a whole. Example results available on request.</i>	

Legal Compliance Statement

The information provided in this specification is correct to the best of our knowledge and experience at the time of writing. Naked Foods Limited confirms that this product will be manufactured in accordance with this specification and that this product, including food contact packaging will fully comply with all relevant UK/EU legislation.

Health & Safety

Spillages can be washed away with water.

Skin contact is harmless - rinse thoroughly with water.

Product is non-flammable.
